ABOUT US

Established in the year 2013, APD Foods was started with great enthusiasm, a big dream and even bigger idea to be one of the finest in the food ingredient industry.

Over the years APD foods has built a strong reputation amidst its clients and vendors across the country. With 3rd generation of the family taking a keen interest in the business APD Foods is looking forward to broadening its sphere in the mammoth vortex of specialty food ingredients market.

COMPETITIVE EDGE

Quality and R&D are the hallmark of all our endeavors. At the heart of APD Foods there is consistency, determination and integrity. In addition, we do what we say; we deliver what we promise and, in the process, we are working hard if we can over-deliver.

Our goal is to offer wide range of quality ingredients that will excite and delight our customers.

MARKET FOCUS

- Savory and Seasonings
- Flavor and Fragrance
- Nutraceuticals
- Confectionery and Bakery
- Natural Food Color
- Food and Beverage

Exotic Herbs & Spices

APD Foods range of Spices and Condiments are widely used in many of the exclusive SAVORY & SEASONING applications across the globe. The entire product range assures quality and food safety beyond compare.
